NNBA

All courses at The Nottingham Nail & Beauty Academy are fully accredited by

ABT

so you know you can be confident in the education you will receive! All qualifications will enable you to gain professional insurance with the company of your choice for the treatments covered in your course. Lysa is also an Educator Member of the Federation of Nail Professionals

Courses are available for nail and beauty professionals at every level, from complete beginners for the very best start in the industry, to experienced technicians for skill building and continued professional development. Any one of these courses will enable you to set your business apart from competitors and ensure you are at the top of your game.

“After being part of the nail and beauty industry for over 30 years, I discovered a passion for teaching and decided to open my own academy. I have previously taught on behalf of CND, wax:one & Lecenté, written articles for both local press and national industry publications, including Scratch Magazine, and won Silver Nail Technician for the East Midlands. In 2020, I have been named as one of the five finalists in the Professional Beauty Awards Nail Salon of the Year, beating off competition from the rest of the country. You can be confident that you are in the safest and most knowledgeable hands for your beauty industry education.”

Nail Courses

Manicure Beginners

1 day | £175

The foundation for all nail education

Every type of nail service starts with a manicure. Learn how to manicure and prepare the nail, nail anatomy, contraindications along with practical learning including painting both colour and French finish. The fundamentals of every nail career!

Pedicure Beginners

1 day | £175

Jump in to perfect feet!

Giving a beautiful pedicure is an essential skill you will learn in this one day beginners class. You will learn about the anatomy of the foot, ankle and lower leg as well as how to perform a pedicure on your model. This will leave them with soft, trimmed nails & skin, with either a French finish or colour of choice.

Gel Polish

1 day | £125

High five to a gel manicure

Gel polish manicure is the most popular service a nail professional/beauty therapist can offer. Now you have your manicure certificate, you are qualified to attend our Gel Polish Class. Learn how to perfectly paint a French finish and colour using gel polish. You will also cover anatomy, contraindications, the science of gel polish and how to place this in your business.

Kit available if required

Acrylic Enhancements

2 ½ days | £375 inc kit

The strong one!

This class is over 2 days as we firmly believe you cannot learn this skill in just one day! This class will teach you how to manicure and prepare the nail ready to apply tips or sculptures in French or natural. We will cover how infill or rebalance the nail for when your clients return. These 2 days will also cover the nail unit, contraindications and contra-actions you need to look for as a nail professional. Business advice on pricing and marketing is also available. Students require product-free nails as you will be working on each other. The final half day will require bringing a model for assessment.

Gel Enhancements

2 ½ days | £375 inc kit

Long, strong & flexible nails

Gel enhancements are perfect for extending nails with tips or sculptures. Over two days you will learn how to prepare the nail with a manicure, how to extend the nail with tips or sculpting forms and how to apply clear, natural & Forever French finish. For your returning clients you will also be taught how to infill/rebalance the nail. Enhancements require two days of training and students will require product-free nails as you will be working on each other. The final half day will require bringing a model for assessment.

Gell'Ed

2 ½ days | £275

Natural Nail Masterclass

Learning how to look after the natural nail with a manicure is the first step in becoming a nail specialist. Adding Gel Polish for strength and design is the next step - our 2 day class will teach you how to do both!

These 2 days are spread over two weeks to allow time to perfect your skills. The final half day will require bringing a model for assessment.

Kit available if required

Polygel/Acrygel Course

2 ½ days | £375 inc kit

The Inbetweener

Do you love Acrylic & Gel Nails? Would you like something that's in between? Yes!

Then Polygel, also known as Acrygel, is the system for you. The strength of Acrylic with the flexibility of Gel. Join us on this 2 day class where you will learn how to manicure, apply Polygel/Acrygel on tips, sculpting forms and dual tips!

You will also leave with the knowledge to infill the nail for returning clients.

Suitable for both beginners and trained professionals. The final half day will require bringing a model for assessment.

Nail Art

1 day | £125

Sparkle, glitter & design

Nail art is the perfect addition to any nail service and is hugely popular, with no signs of slowing! This fun and engaging 1 day class will show you how to use nail art as an extra service to wow all your clients.
